COLLABORATIVE PROJECTS

Open SUNY Information Literacy Initiatives, Principal Investigator

This $20,000 Innovative Instructional Technology grant funded the development and guidelines for the creation of shareable and adaptable information literacy content as well as a platform to facilitate locating and exchanging content. This grant also funded LILACs across NY.

IDS Regional User Groups

The Information Delivery Service Project is a resource sharing community built on trust.

Tools of Engagement Project, Phase 2, 3, & 4 Fellow

TOEP's goal is to encourage faculty and staff to explore new technologies with a focus on impacting the student learning experience, in sync with the TOEP learning objectives.

Library Instruction Leadership Academy (LILAC)

The Library Instruction Leadership Academy facilitated a learning experience intended for newer instruction librarians who would like to learn to be more effective teachers in the library/classroom.
